

Petty's Chapel A.M.E. Zion Church

CAPITAL CAMPAIGN

FEBRUARY 2020— DECEMBER 2021

Founded in 1889, Petty's has been a longstanding institution in the city of Bessemer, Alabama. You or someone you know may have attend our kindergarten or participated in one of our outreach activities over the years, such as the summer lunch program we operated in the 1970's and 1980's and our annual Pettyfest.

As we continue to be a beacon of light on 18th Street, we would like to do so with the best facilities possible to serve our community. Please help us in the completion of much needed repairs and major improvements to our facilities which includes repairing the roof (completed in November 2020!), replacing the HVAC units destroyed by copper theft, and making major repairs and improvements on both levels. **Please help us in our Capital Campaign to raise \$200,000 for repairs and improvements by committing to one of the giving levels below.** (*denotes names of these donors will be displayed in the church building)

<u>Giving Amount</u>	<u>Society</u>
\$10,000 and up	Eiffel Tower Society*
\$5,000 — \$9,999	Leadership Society*
